

27 February 1975

MEMORANDUM FOR THE RECORD

SUBJECT: Rental Increases

1. On 26 February 1975, I briefed the Deputy Director for Administration to the effect that:

a. The Office of Logistics reviewed the Office of Management and Budget (OMB) Circular in draft, six to eight months ago.

b. The Office of Logistics never received an official copy in final form through Agency channels.

25X1A

c. No real heartburn in the Office of Logistics regarding a month's delay.

2. The DD/Administration is inclined to implement the rent raise on 1 April 1975, but he wants a memorandum for the Office of Logistics, reflecting the above--to support his position. I talked to Mr. [REDACTED], DD/OL, and requested the memorandum. He will send it over soon. 25X1A

3. I did explain to the DD/Administration that Logistics did not receive the OMB Circular, but it may have come into the Agency elsewhere. He was not particularly concerned about that.

NOTE FOR THE RECORD

25X1A

Per Mr. [REDACTED] request, I checked with DD/A Registry to determine if OMB Circular A-45, dated 30 October 1974, had been received. There was no record. A further check of Exec. Secretary records disclosed that they had received the draft proposal of this circular on 12 August and it had been sent to DD/A for a direct response. DD/A Registry charged the document to Mr. [REDACTED] and as of this date, he still holds the document.

25X1A

There is no record in the Agency, as of 28 February 1975, indicating that we ever received the final publication of OMB Circular A-45; Subj: Policy Governing Charges for Rental Quarters and Related Facilities; dtd 30 Oct 74, signed by Roy Ash, Director, OMB.
